[CODE] RED™

NEXT GENERATION BAGS

Built for **professionals.**

[CODE] RED™

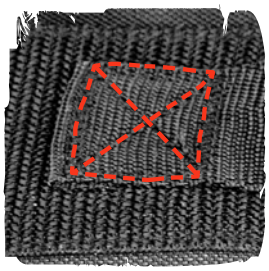

New and improved bags.

CODE RED bags are built to cope with the most demanding environments, from daily use to emergency medical and tactical first response, a Code Red bag will never let you down.

STRONGER:

- Box and gate reinforced stitching
- Edge piping for strength and stability
- New heavy duty zips and pulls
- Strong 600 – 900 denier fabric

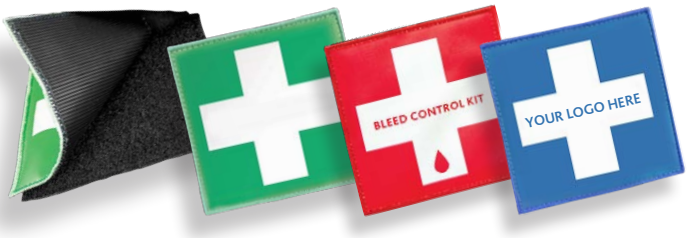

SAFER:

- Water resistant
- Wipe clean antibacterial base

MORE VERSATILE:

- Spacious storage solutions
- Customisable snap patch system

[CODE] RED™

CODE RED bags are designed for dependable everyday use.
Multiple uses from the sports ground, workplace to emergency medical.
